Coconut Bay Beach Resort & Spa offers couples a mixture of Caribbean experiences

Vieux Fort, St. Lucia – November 7, 2006 – Couples looking for the perfect combination of action, romance and relaxation are sure to be enticed by Coconut Bay Beach Resort & Spa on St. Lucia's exotic southern coast. The all-inclusive resort is giving couples the chance to spend time together doing out-of-the-ordinary activities.

Couples who want to stay active on vacation can take advantage of the many amenities at the resort. The resident tennis pro can conduct a lesson for partners who want to learn to play together. A fitness instructor can also lead couples on a power walk along one of several nature trails throughout the 85 coconut palm-dotted acres. Off-site activities can be booked through the Adventure St. Lucia desk in the lobby at an additional cost and include zip-lining through the treetops on a canopy tour, riding ATVs, mountain biking in the rainforest and hiking the Piton mountains. For those who want to take to the water it's also possible to arrange for off-site snorkeling, scuba diving, windsurfing and kite boarding.

Guests interested in creating Caribbean concoctions with their partner can shake things up with the bartender lessons offered at the resort. One of the many skilled barmen teaches couples to make their favorite cocktail, or even Coconut Bay's signature drink – the Dirty Banana.

The Kai Mer Spa, situated oceanfront, offers a more relaxing activity. Guests can take massage lessons, learning to give a stress-relief massage to their loved one, while discovering a sense of togetherness. This couples' lesson on massage includes step-by-step instruction by two therapists on the art of true relaxation. Those who rather leave the work up to the pros can choose a couples' oceanfront massage while enjoying the soothing sounds of the sea.

At the end of the day, guests can choose to end on an intimate note with a private dinner at one of many locations throughout the property. The culinary staff at Coconut Bay can serve dinner to couples under the palm trees, on the beach or in the beautiful gazebo overlooking the ocean.
