### **FIRST-DATE-AWAY AT COCONUT BAY BEACH RESORT & SPA**

*Couples can connect on their first vacation away from it all in romantic St. Lucia*

**Vieux Fort, St. Lucia** – A couple's first vacation away is an ideal opportunity to learn more about each other while experiencing an exotic new destination for the first time. The all-inclusive Coconut Bay Beach Resort & Spa in St. Lucia is the perfect choice for couples seeking to create lasting romantic memories while participating in a wide range of unique, fun-filled, even heart-pounding activities and adventures.

Coconut Bay's unusual two-worlds-in-one concept helps those first-date-away couples find a balance between the thrill seeker who wants to experience a world of Caribbean adventure and the hopeless romantic whose idea of a Caribbean vacation is a hammock stretched between two palm trees at the edge of a beautiful beach.

Coconut Bay allows guests to enjoy the best of both worlds. The "Splash" wing of the resort provides a harbor of water fun for the young at heart while the other half, known as "Harmony," is devoted to romantic relaxation. Guests have full access to both sides of the property and can customize their vacation according to their own schedule whenever the spirit moves them.

Some of the activities designed with couples in mind at Coconut Bay include:

**CocoLand Water Park:** CocoLand is the island's largest water park and a wonderful liquid respite of waterslides, lazy river, beach-accessible mega-pool with a rollicking swim-up bar. One of the two waterslides is a massive heart-thumping tunnel, where guests lay back as the force of the water speeds them down and out into the waiting splash pool.

**Kitesurfing:** Coconut Bay now offers a kitesurfing school where novice to advanced kitesurfers can learn how to harness the strength of the Caribbean's wind and water in this popular adrenaline-rushing watersport. Couples can bond while taking lessons with a seasoned pro.

**Paintball:** For a challenging friendly competition, couples can try their luck at "The Zone," a paintball attraction adjacent to Splash where individuals or teams get ready, aim and fire. Participants hide behind barriers while dodging flying paintball pellets and their goal is to capture the winning flag. Splashes of colorful paint explode on the camouflage jumpsuits as players are eliminated on the outdoor playing field

**Romantic Oasis:** Located adjacent to the Harmony wing, the Romantic Oasis offers new, or newly-wed couples the opportunity to relax in an adults-only retreat. With hammocks and intimate cabana beds, love is clearly in the air and relaxation is raised to an art form. An adults-only pool features a full-service cabana bar with delicious international cuisine and island-inspired libations.

**Kai Mer Spa:** The Kai Mer Spa features private oceanfront treatment patios where guests are pampered in luxury while enveloped by soft sea breezes, shade of the coconut palms and soothing sounds of the ocean. The organic-infused spa menu utilizes native and natural ingredients in all treatments. Couples can enjoy side-by-side beachfront massages for the ultimate in romantic indulgence.

**Explore St. Lucia:** Guests can book any, and all, island excursions through the Adventure St. Lucia desk in Coconut Bay's lobby. Centrally located near most of St. Lucia's best attractions, Coconut Bay's guests will enjoy zip-lining canopy tours, ATV rides, horseback riding, mountain

biking in the rainforest and hiking the spectacular Piton Mountains

For couples on a budget, Coconut Bay has all-inclusive rates starting at \$128 per person, per night.

**About Coconut Bay:** St. Lucia's exotic southern coast is home to Coconut Bay Beach Resort & Spa, an all-inclusive resort catering to families, couples and honeymooners alike. Mirrored after the island's most famous landmarks, the twin Piton Mountains, Coconut Bay has its own set of twins, Harmony and Splash. "Harmony" is a tranquil adult-only oasis offering an intimate setting for those seeking a romantic escape with a coconut palm-fringed pool, braided hammocks, private cabana beds and the oceanfront Kai-Mer Spa. At the opposite side of the resort, the young at heart are drawn to "Splash," the resort's tropical playground featuring CocoLand Kidz Klub, a paintball facility, a watersports complex offering kitesurfing and the island's largest water park. This casually Caribbean resort has 254-rooms on 85 acres, and it's all just a short transfer from the Hewanorra International Airport.
